Certificate Number of FSIS Form 9060-9 \_\_\_\_\_

**VETERINARY HEALTH CERTIFICATE  
FOR EXPORT OF BEEF PRODUCTS INTENDED FOR PETFOOD USE  
TO THE REPUBLIC OF SOUTH AFRICA**

I hereby certify that:

1. The U.S. is free of foot and mouth disease, contagious bovine pleuropneumonia, and bovine spongiform encephalopathy for the previous 6 months.
2. The animals and the carcasses from which the material were obtained, were born and raised in the United States or Canada and were slaughtered at a South African approved abattoir in the United States and were subjected to both ante- and postmortem veterinary inspection, and found to be free from signs of disease and on the basis of such inspections showed no evidence of disease derived from transportation or slaughter, and were unconditionally passed fit for human consumption.
3. The material was wrapped, cartoned and marked "NOT FOR HUMAN CONSUMPTION" and has been frozen to a temperature not exceeding minus 18 C.
4. The material was loaded into container (s) No. (s): \_\_\_\_\_  
and sealed with seal number (s): \_\_\_\_\_
5. South African Veterinary Import Permit No. \_\_\_\_\_
6. Produced at Establishment No. \_\_\_\_\_

Done at \_\_\_\_\_ on \_\_\_\_\_
